Cleaning

Insurances

The rental fee includes the mandatory vehicle insurance, i.e. liability insurance and accident insurance for the driver and the owner (Third Party Liability).

If the Renter chooses to rely on his credit card for cover, we strongly recommend that the Renter fully understands the terms and conditions of any cover provided by the credit card company before declining any of Hertz optional services.

The Renter’s own risk (also termed as “deductible”, i.e., the amount that must be paid out of pocket by the Renter for covered losses before an insurance company pays a claim) with regard to damage to the vehicle amounts up to the full value of the vehicle.

Third Party Liability

Third-party liability insurance and accident insurance for owner and driver will consist of the amount stipulated by Icelandic law at any given time.

Collision Damage Waiver (CDW)

This option limits the Renters financial liability for damage to the Hertz vehicle, its parts and accessories, except theft, attempted theft or vandalism, provided the vehicle is used in accordance with the terms and conditions of the rental agreement.

If CDW is declined, Renter will be responsible for damage up to the full value of the vehicle.

CDW Non-Waivable Excess: All rentals are subject to a non-waivable excess **(N.W)**, depending on the vehicle group rented, for which the Renter are responsible in the event of damage to the Hertz vehicle during the rental.

CDW per day	ISK
CDW - passenger cars	2.250
N.W - passenger cars	229.500
CDW - 4WD jeeps, vans, trucks	3.000
N.W - 4WD jeeps, vans, trucks	386.750

Super Collision Damage Waiver (SCDW)

The purchase of SCDW in addition to CDW reduces the non-waivable amount of the CDW. Note the purchase of SCDW does not lower the non-waivable excess for any other insurance than CDW.

SCDW per day	ISK
SCDW - passenger cars	1.800
N.W - passenger cars	32.300
SCDW - 4WD jeeps, vans, trucks	2.550
N.W - 4WD jeeps, vans, trucks	73.100

Collision Damage Waiver (CDW) & Super Collision Damage Waiver (SCDW):

The amounts of N.W fees vary, depending on how high the amount of damage they apply to. In respect of N.W fees and to which damage amounts such payments apply, a reference is made to the damage pricelist of Hertz at any given time. **The payment of an N.W fee does not reduce the Renter's N.W because of damage to the vehicle in instances listed in full detail in the rental terms and conditions.**

We would like to recommend that you tell your customers about the 3 main things that are never covered by any insurance:

- Damages caused by driving off road or in water/river
- Damages to tires and underbody of the vehicle.

Damages caused by sandstorm or ash blowing against the vehicle is not covered unless the SAAP insurance is accepted.

Damages to front window and headlights is not cover unless the WSP insurance is accepted.

Theft Protection (TP)

This option limits the Renters financial liability for loss or theft of the Hertz vehicle, its parts and accessories, provided the vehicle is used in accordance with the terms and conditions of the rental agreement.

If TP is declined, the Renter will be responsible for the cost of repairing or replacing the Hertz vehicle lost or damaged, following theft, attempted theft or vandalism up to the full value of the vehicle.

TP non-waivable excess (N.W).

All rentals are subject to a non-waivable excess fee (N.W), depending on the vehicle rented, for which you are responsible in case of loss or theft of the Hertz vehicle during the rental.

Per Day	ISK
TP - passenger cars	600
N.W-passenger cars	229.500
TP - 4WD jeeps, vans, trucks	600
N.W-4WD jeeps, vans, trucks	386.750

Windshield Protection (WSP)

This option will eliminate the Renters financial liability for damages, caused by gravel, on the front window and headlights. Please note that this insurance does not cover sand- or ash storm damages.

Per Day	ISK
WSP - passenger cars	900
N.W-passenger cars	0
WSP - 4WD jeeps, vans, trucks	1.500
N.W-4WD jeeps, vans, trucks	0

Sand and Ash Protection (SAAP)

This option limits the Renters financial liability for damages caused by ash, sand or other earth materials being blown against the vehicle.

When getting the SAAP, the same non-waivable rules will apply as if those insurances are bought separately.

Per Day	ISK

SAAP - 4WD jeeps, vans, trucks	2.550
